Dear DCPS Parents and Guardians,

Before the 2008-2009 school year becomes a memory, I want to thank you for having entrusted your children to us this year, and for continuing to collaborate with us on building the school system that your children deserve--one that will provide them with an excellent education. We look forward to having your children with us next year, and to working with them--and you--so that they might achieve at even higher levels in 2009-2010.

As you can tell from the contents of this envelope, many DCPS staff members began getting ready for the next school year before this one ended. This mailing is the first of several that you will receive this summer. As you and your children head toward vacation activities, take a moment to review the enclosed list. We want to be certain that you will have all the information and materials you need to enroll your child in school for next year.

Have a wonderful summer!

Sincerely,
