

Chess will...

- Improve your children's attention, problem solving and critical thinking skills.
- Help build logic, memory and pattern recognition.
- Increase IQ and test scores.

With SchoolHouse Chess...

POLICIES

- Classes may be cancelled due to low enrollment. If class is canceled due to exigent circumstances (e.g. inclement weather), we will try to reschedule, but cannot guarantee a make up class.
- A full refund (less a \$10 processing fee) will be given if requested in writing and received by Mad Science within 5 business days after the first class.
- The program provider is not responsible for your child prior to and after the scheduled class. Please make sure you pick up your child **on time**. We do allow a 10-minute grace period, and will charge you \$1/minute thereafter based on the school clock.

- Your kids will have fun!
- Get branded portable chess set to take home.
- Get a take-home summary card with activities each week.
- Classes are skill-based so children can continue in the program for multiple sessions.

* Curriculum for Schoolhouse Chess does not change from one session to the next. We hope to implement an advanced class in the future. Children are welcome to sign up again, but lessons will be the same.
