

2011-2012 STODDERT DIRECTORY

Each year the Stoddert PTA puts together a school directory. It's a guide to the school, with information about Stoddert administration, faculty, and staff; teacher and class lists; PTA positions; and contact information for each participating family. We encourage you to provide at least your primary contact information—having access to the information in the directory is a great way to confirm homework assignments, plan social activities, and stay involved with the school. Thank you!

The deadline for submission is September 23, 2011.
