

Planning Survey for SY17/18

Dear 4th-Grade Families:

In early January you were asked to complete a re-enrollment survey regarding 5th grade for SY17/18. At that time several of you were undecided, because you did not know if you child had received a seat at a private school or charter school.

The private schools and charter schools are currently in the process of notifying applicants of their placement decisions. Therefore, **I'm asking all parents of our current 4th-grade students to complete the re-enrollment survey again.**

Here's why: There is a strong possibility that we will need to expand from our current two 5th-grade classrooms to three 5th-grade classrooms for SY17/18. In order for me to make that decision, *I need to know how many of our current 4th-grade students will be returning to Stoddert for 5th grade.* Thus, I'm asking all of you to **complete this short survey and return it to your child's 4th-grade teacher on or before Friday, March 10.**

As always, thank you for your continued support.
