

Stoddert ES Safety Rules & Procedures

Driving Code of Conduct

Please respect these rules during morning drop off and afternoon pick up:

1. Find a LEGAL parking spot to park and walk your child into school. Legal spots are all throughout the neighborhood. Do NOT park illegally in bus zones, near stop signs, in crosswalks and in the “no standing zone” in front of the school.
2. If you must drop off, FIRST look for a legal parking spot to park and then let your child out. If you cannot find a legal spot, you may pull over only at the “no parking between 8am and 4pm zone” along the school side of Calvert Street. If you use this area, it is drop off only. You may NOT park, wait, idle and/or leave your car. You must pull all the way to the curb and let your child out on the sidewalk side of the street.

Map Key:

	No Standing Zone. This means no parking, pulling over, waiting, idling or stopping to let children out.
	No Parking Between 8am and 4pm Zone. This means you may pull over to let children out, only if you cannot find a legal spot first. You may NOT park, get out, wait, idle or leave your car.
	Pedestrian Intersection. This is a high traffic area. Do not pull over, stop, idle, make a U-turn or let children out of the car anywhere within this intersection. Do not park illegally near the stop signs.
	Metro Bus Zone. This an active bus zone. Do not park, idle, or pull over in this area.
	Parking Areas. These are all legal and safe parking spaces.

Please Note:

- There are no U-turns on Calvert Street.
- Glover Park is a 25 MPH residential community. Respect the community and fellow students walking to school. Fully stop at all stop signs and do not speed.
